

The Won-Buddhism of North Carolina Temple expansion project has created a larger space that will embrace more people and programs in this community and beyond. We want to celebrate this with many Dharma teachers and friends.

Won-Buddhism of North Carolina strives to realize the religious and philosophical ideals of our founder, Ven. Sotaesan. His teachings emphasize a life of gratitude and have as their purpose the deliverance of all sentient beings from suffering through the Threefold Practice of Cultivating the Spirit, Wisdom, and Mindful Actions.

Won-Buddhism was founded almost 100 years ago in Korea and has spread throughout the world. The first temple in North Carolina was established in Orange County in 2004. Since then, more than 100 people a week in the Research Triangle area receive services in the form of meditation programs for all ages, counseling, children's camps, educational workshops, and more.

We would be honored by your presence on this auspicious occasion, and appreciate it very much if you would RSVP by Sept. 15 for the Opening & Dedication Ceremony. For other events, there is no need to make reservations.
